★ METAL DOOR,

→ A FOCUS AROUND, DESCRIBE THE AREA

(3)

TABLES AND CHAIRS

★ SHINY TOPS, CHAIRS ARE somewhat scattered around from where they are suppose to be.

→ CONTINUE TO DESCRIBE THE AREA

★ A PLACE WHERE YOU KEEP TRACK OF THINGS - THINGS WHICH REMIND ME OF safes, big, iron, grey, hard, heavy -

→ PAUSE - Focus NOW on the one document of special interest to me tell me its color

★ mostly white, pastels,

→ Thumb your fingers through the document, count the pages, The last page has a number, give me the number of pages.

★ AROUND 20-25

→ Focus NOW on the cover - There is writing - There is a title. Describe to me the meaning of the title - You don't have to read it just describe the meaning -

★ DIRECTIONS, GUIDANCE, PRE-SET GUIDANCE FOR SITUATIONS - IT'S NOT AS USEFUL AS IT USE TO BE THINGS ARE overcome by events

→ Describe Those Things

★ Seems like it has to do with some sort of equipment, hardware of some sort -

→ TAKE a moment or two perceive the document in its entirety -

(4)

→ Describe to me the first significant portion of the document

★ FIRST PART, historical, general, second part is imaginary and kind of fictional, like it hasn't happened yet - what if---

→ NEXT PORTION

★ RESOURCES, THINGS TO BE USED, GENERAL TERMS, Where they are suppose to be, what they control, overlapping to avoid gaps,

→ NEXT PORTION

★ TABLES OF ITEMS, OF THINGS - DIVIDED UP INTO GROUPS, orderly and neat sort of fashion -

→ The substance of these tables, the things they describe

★ Tables talk about equipment, hard things, they can move, they're resources-

→ OK NEXT PORTION - The substance, the meaning of this portion

★ KINDA RE-STATING, closing of a loop-

→ OKAY Pause - There is ultimately one man responsible for the preparation of this document - locate this person how describe this person

★ Relatively tall, knows what's going on, has expertise but not as lucky now - wears glasses, hair kind of receding -

→ OKAY - You may now link with this person ask them to describe the substance of the document - the subject matter stay with your link -

(5)

- ★ IMAGE OF THINGS BEING MASHED UP - PUT TOGETHER IN NEW FORM,
- Don't lose your link - subject matter
- ★ PLANS, COORDINATE BETWEEN agencies/groups,
- USE The link - The single most important item in the document
- ★ A DATE, like when something happens, pivot, ~~planned~~ ITS like this date, something that could happen might happen - everything kind of pivots around that
- OKAY - maintain the link, ask the person to describe that event
BEGIN WITH THE DATE
- ★ NOT YET, ITS NOT -- THE DATE IS FIXED, BUT THE EVENTS ARE NOT IF THEY DO ITS CONTINGENCY - IF NOT, OTHER COURSE OF ACTIONS - ALL KIND OF SPECULATION -
- DESCRIBE THE event if it goes AS EXPECTED
- ★ IF IT GOES one way - all kind of movement - an organization specified in the document takes place -
- TRY TO BE MORE SPECIFIC on the events
- ★ -----
- THANK THIS PERSON - He's NOT helping you - you may leave this person - you tell me about the most significant item about the document
- ★ IS THERE a most important thing? - I guess its what it takes to decide to do it - decision factors - criteria

(6)

- Quickly, page through the document - describe the most interesting picture, photograph that interests you - not me
- ★ ~~#~~ I didn't notice picture pages - BUT NOW there are pictures of critical points - circles of different places
- Pause - Refocus your attention on the front - the cover - spell
- ★ P. R. S. K. E. U. T. N. C. - - - - -
- This document has what is known as a classification - Read me that classification from the top & bottom of the cover -
- ★ ~~RESTRICTED~~ - Kept to only a few people - Kind of like top secret -
- Pause - Review this document - attempt to understand its meaning its subject matter -
